

2018-19 District 10 A/AA Change of Level Request Form

The 2018-19 season for Bantam and Pee wee gives you the opportunity to request a change of level in play.

Your association will be classified the same as you were last season unless the D10 Director receives a change request.

You have the opportunity to classify your Bantam teams or Pee wee teams at different levels if you desire. Associations that are combining, for the season of 2018-19, your level will default to the highest level of the two associations combining.

Request for change in level must be submitted and received by the District 10 Director by October 16, 2018.

The following information needs to be filled out completely and honestly. Any information found to be intentionally false will cause the request to be denied or reversed if awarded.
