- Each Association present was provided with a list of Level 3 coaches who will need their Level 4 certification this upcoming season. If your coaches need a Level 4 and received a temporary card for last season, they will need to attend a Level 4 clinic, as they will not be issued another temporary card.
  - There is a Level 4 Clinic schedule on the USA Hockey website for Mary 16-17, 2015 in Rochester, MN.
  - There will be a Level 4 Clinic held in September, 2015 in Bloomington, MN. Dates TBD.
  - There will possibly be a Level 4 clinic in October, 2015 in the NW part of Minnesota. Dates TBD.
- No coaches will be put on a roster for the 2015-2016 season unless they have a current CEP card level, SafeSport training completion and Background screening completion.
- MNH, Article 6, Authority, Appeals, Suspensions, Court Actions – If your Association does not have a policy on hearing or appeals, it is highly recommended that you follow the MNH policy.
- By-laws/Policies – After reviewing the Association By-laws/Policies, those with “move up” policies for both youth and girls are unclear. This policy should be revisited and redefined for clarity.
- Wounded Warriors – D10 donated equipment to the Wounded Warriors and received a very nice thank you for our generosity. If your Association has any used equipment they would like to donate, please let us know.
- MNH will be adding a 16U Level and possibly moving the 14U level to a 15U level.
