- Meeting with statewide directors coming up this Sunday, one of the items is re-districting again

- Refusal to accept people into your program - please send your opinions to Colleen on this before Sunday (comes more from parent behavior, than player issues)
- Invitational tournaments held by outside entities - item to review
- Complaints about noise makers (cowbells) Item for discussion at the district director meeting
- Colleen went through travel team rosters; upper team's vs lower teams is looking like a 2:1 ratio. Bantam top levels have almost 200 players, but the lower levels have 310 players, as an example. There should be more top teams than the lower levels, or associations are not working on developing players.

  - Question to ask the other districts as well
