In Loving Memory of Jason "Waldo" Waldowski

We Love You Waldo!

***DISTRICT 10 RESERVES THE RIGHT TO MAKE ANY APPROVED CHANGES TO THE HANDBOOK WITH NOTICE GIVEN TO THE MEMBERSHIP VIA THE DISTRICT 10 WEBSITE.**

www.district10hockey.org

Welcome to the 2021-2022 District 10, Minnesota Hockey, USA Hockey Season

At this time, I would like to thank all the volunteers' that make District 10 possible, from the D10 Board Members, to the Association Volunteers and Coaches. Any person that donates their time and talent for the kids is truly a special person, with the love for the game and the kids.

Hockey is a chance for the players, parents, and coaches to meet new friends and to catch up with some old. Please make every effort to make this year fun for your team and for your opponent. These years of hockey will be memories that will last you and your child a lifetime, so we all need to work at making sure they are good ones.

Please feel free to contact your League Coordinator if you have any questions regarding your league. Every year we receive many good suggestions from the parents and family members. Please pass them onto your League Coordinator.

D10 works hard at returning all emails and calls in a time manner, but please remember we all have jobs, and this is what we do for fun. Most emails and telephone calls will be returned during the evening hours.

The most important thing here is the KIDS. Praise both teams. Let the coach's coach. Parents be good fans in the stands. Tell your child how proud you are of them after every game, everyone learns from both winning and losing in life, since at the end of the game – it was still, just a game.

D10 follows MNH & USAH Policies, but District 10 is allowed to make those Policies stricter, in which District 10 has done this with certain policies, so please **read the policies**.

Please enjoy your season and help whenever you can. All Association needs help somewhere.

Enjoy the season and most of all have fun!!!!

Policies

The following information is important to all Players, Coaches, Officials and Members of District 10's Association. District 10 follows MNH & USAH Policies and District 10 can make Policies stricter, in which District 10 has done with some of the policies.

Photographic Devices Policy

District 10 strictly prohibits the possession and/or use of cell phones and/or any type of photographic device(s) in locker rooms. Effective at the start of the 2021-2022 Hockey Season, use of phones, cameras or any device that can take pictures or videos in a locker room is prohibited, at anytime or for any reason.

Any **player(s)**, **locker room monitor(s)**, **coach(s)**, **parent(s)**, or **person(s)** caught using phones or photographic devices inside a locker room or has taken pictures or video from within a locker room and posted on social media, the following will be accessed:

Athletes/Players:

1. **1st Violation:** After confirmation, the player shall be suspended from all team activities including "practices, games, (including tournament games), scrimmages, team events" for the next two (2) consecutive games or two (2) weeks of a season, whichever is greater. Player may not be in the locker room or on/near the team bench for games or practices during the suspension time. Player and Parents will meet with the Association President, Association Level Director to discuss future repercussions if it happens again.
2. **2nd Violation:** After confirmation, the player shall be suspended from all team activities including "practices, games, (including tournament games), scrimmages, team events" for the next four (4) consecutive games or three (3) weeks of a season, whichever is greater. Player may not be in the locker room or on/near the team bench for games or practices during the suspension time period. Player and Parents will meet with the Association President, Association Level Director, District 10 Director and District Level Coordinator to discuss future repercussions.
3. **3rd Violation:** After confirmation, the player shall be suspended from all team activities for a period of sixty (60) days, with the same requirements as outlined in the Number 2, 2nd Violation.

Coaches/Parents/Locker Room Monitors "Adult(s)".

1. **1st Violation:** After confirmation, the "Adult(s)" shall be suspended for the next two (2) consecutive games or two (2) weeks of the season, whichever is greater and assessed a \$ 500.00 fine. They will be required to meet with the Association President and Association Level Coordinator to discuss future repercussions if it happens again.
2. **2nd Violation:** After confirmation, the "Adult(s)" shall be suspended for the next four (4) consecutive games or three (3) weeks of a season, whichever is greater and assessed a \$ 750.00 fine. They will be required to meet with the Association President, Association Level Coordinator, District Director and District Level Coordinator to discuss future repercussions.
3. **3rd Violation:** After confirmation, the "Adult(s)" shall be suspended for a period of sixty (60) days and will be ban from attending any sanctioned games, practices, D10 Activities, team functions and assessed a \$ 1,000.00 fine. The Home Association will also be assessed a \$ 1,000.00 fine.

After the third (3rd) occurrence by either player or adult(s), the player or adult will be banned from all D10 Activities until a hearing committee shall be convened by D10, to determine any further disciplinary action is required.

Any association with outstanding fines, may be considered not in good standing with the district, which will result in the association not being allowed to participate in district tournaments or district events."

These violations by a player or adult(s) can and will be carried over to the next season.

Locker Room Policy

District 10 adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. To help prevent abuse or misconduct from occurring in our locker rooms, District 10 has adopted a locker room policy, designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

Locker Room Monitoring

Locker Room Monitors should conduct a sweep of the locker rooms and changing areas. If the coaches are not inside the locker rooms, then a coach or a volunteer locker room monitors (each of which has been screened) will be posted directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible. Only participants (coaches and players), approved team personnel and family members are permitted in the locker room (when appropriate). Team personnel will also secure the locker room appropriately during times when the team is on the ice.

Adult supervisors for the locker room monitoring must follow the screening process in the MN Hockey Handbook, Sexual Abuse, Physical Abuse and Criminal Background Screening Policy. Volunteers MUST be registered as a volunteer with USA Hockey and complete SafeSport training.

No team/player(s) shall be allowed to enter a locker room prior to a scheduled event until a proper locker room monitor is present and such monitor shall remain present until the last player leaves the locker room. When coaches are present in the locker room, they may serve as locker room monitors.

Official Locker Room – No one is allowed into the Officials Locker room, without being invited in BY THE OFFICIALS. Violations of this rule will be reported to the D10 Supervisor of Officials, who will notify the D10 Director.

SafeSport Locker Room Policy – USA Hockey

All USA member programs must have at least one responsible screened adult (Locker Room Monitor) present to monitor the locker room or changing area. Individual meetings between a minor and a coach in a locker room or changing area requires the presence of a second screened adult.

- *-Permission or lack of permission for parents to be in the locker rooms.*
- *-Prohibited conduct, including at least all forms of abuse and misconduct prohibited by USA Hockey*
- *-Specific policies for the use of mobile electronic devices and phones and prohibiting the use of a device's recording capabilities.*

Failure by a coach or administrator to take appropriate steps to ensure adherence to the Locker Room Policy, or violation thereof by any participant or parent of a participant is subject to appropriate disciplinary action. It should also be noted that a local program may at its discretion adopt stricter policies than those defined by USA Hockey or Minnesota Hockey, but in no case may said policy be less strict.

Mixed Gender Teams

Some teams consist of both male and female players. It is important that the privacy rights of all players are given consideration and appropriate arrangements are made. Where possible, District 10 will have the male and female players dress/undress in separate locker rooms and then convene in a single locker room before the game or team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. If separate locker rooms are not available, then the players will take turns using the locker room to change. We understand that these arrangements may require that players arrive earlier or leave later to dress but believe that this is the most reasonable way to accommodate and respect all our players.

Waiver Procedure Policy

Waiver request forms are obtained from the Association Presidents. See the MN Hockey handbook, Youth Rules and Regulations.

Zero Tolerance Policy

USA Hockey and Minnesota Hockey have a ZERO TOLERANCE policy for abuse and misconduct. Through the USA Hockey SafeSport Program, USA Hockey and Minnesota Hockey are committed to creating the safest possible environment for participation in hockey.

- Spectator conduct becomes so abusive that, in referee(s)' opinion, it is distracting from the game or inciting players, requiring the referee(s) to stop play and request specified individuals leave the area.
- An off-ice official (timekeeper, scorekeeper, penalty box attendant) provided by one of the teams exhibits conduct that results in the person being removed from their position by the referee(s).

Concussions Policy

MN Hockey Handbook - Concussions / See complete policy under "Policies" on the D10 website.

Mood-Altering Chemicals

The use of mood-altering chemicals, i.e. alcohol, tobacco, drugs and/or marijuana, is expressly prohibited. During the playing season, regardless of quantity, a player or coach shall not:

- (1) Use a beverage containing alcohol;
- (2) Use tobacco (including chewing tobaccos) or
- (3) Use, consume, have in possession, buy, sell or give away any other controlled substance defined by law as a drug.

This rule applies to the entire season, which is defined as from the time a player has registered with their Association for the 2021/2022 season until the team in which the player is selected to play, concludes all their activities for the 2021/2022 season. It is not a violation for a player to be in possession of a controlled substance specifically prescribed for the player's own use by his or her physician. The penalties for violation of this policy shall be per the Youth Rules and Regulations, Section XIII of the *MINNESOTA HOCKEY* Handbook.

Roster Limits

Up to twenty players can be rostered on a team, per MN Hockey (A maximum of 18 skaters and 2 goalies). Top level teams in District 10 Associations, in the Youth and Girls programs, must have a minimum of 14 skaters and 1 goalie on their rosters. Any team needing an exception to this policy, will need to submit, in writing, a request to the District 10 Director with details why an exception for less than 14 skaters should be allowed. (ex: PW AA or U12A declared, must have at least 14 skaters and 1 goalie). If a B team is the highest declaration at a level, that highest level team must follow the policy or send an exception request to the D10 Director. This policy does NOT apply to Mite or 8U teams.

Game Rescheduling Procedure

Game rescheduling for a D10 League game must be completed on the D10 Game Rescheduling Request Form.

If the rescheduled game date is prior to the original scheduled date, the request needs to be completed seven (7) days before the rescheduled date.

If the rescheduled date is after the original scheduled date, the request needs to be completed seven (7) days before the original scheduled date.

1. The requesting team contacts the D10 Game Scheduler, via email, with a copy to their Ice Scheduler.
 - a. Provide the Game ID Number and Level on the subject line.
 - b. Provide the amount of ice time needed to play the rescheduled game in the email.
 - c. Ice time vacated is the property of the team or Association that purchased the ice.
2. The Game Scheduler will send the form to the requesting team, only if penalties are involved.
3. Once the teams have agreed on a date, time and location to play the rescheduled game, the form should be completed and signed by the requesting team's Head Coach.
4. The form should then be sent to the non-requesting team's Head Coach for approval, which can be done either by physically signing the form or by an email response stating the approval.
5. Once approved by both teams Head Coaches, the requesting team shall forward the Game Rescheduling Request form, via email, to the Game Scheduler with both Head Coaches approvals.
6. The Game Scheduler will notify the Referee Scheduler and D10 personnel of the change.
7. The requesting team will mail the Rescheduling Request Form with the appropriate penalty fees to the D10 Treasurer.
Note: If the game is played without the form and penalty check being received by the D10 Treasurer, an additional fee will be assessed. If all fees are not paid by the D10 Tournament, the requesting team and/or all their respective Association teams may be denied entry.
8. The approval or denial of league game reschedule requests, are at the discretion of District 10 Game Re-scheduler.

D10 Treasurer: Rhonda Madsen

Rescheduling Penalties:

- Standard rescheduling penalty is \$150.
- Single game situation penalty is \$50 in addition to the standard rescheduling penalty (applicable if rescheduling a game creates a single game situation for the hour either before or after the hour is being vacated, or if the rescheduled game is scheduled for a time that creates a single game situation).
- If the rescheduling procedure does not meet the timeframe of seven (7) days as mentioned above, an additional \$300 penalty will be assessed.

Inclement Weather

In the event the weather is such that it might be hazardous to the health of the participants, the game may be officially postponed. The Head Coach wishing to postpone the game must contact the opposing Head Coach and the League Coordinator at least two and one half (2 1/2) hours prior to game time. In the event the League Coordinator cannot be reached in a reasonable amount of time, the Head Coach wishing to postpone the game should contact the Referee Scheduler and inform the Referee Schedule of the postponement and then continue to try to contact the League Coordinator.

Games that are postponed because of inclement weather, must be agreed upon by the 2 head coaches and must have the rescheduling procedure completed within seven (7) days of the postponement. If it is not completed within the time frame, D10 will find a location for the game to be played, with both teams sharing the cost of the new game. The penalized person is **immediately suspended from participation in any/all team practice, game or team activities until after the hearing**. If the penalty has been assessed to a player, it is requested that the Head Coach accompany the player to the hearing. If extenuating circumstances prevent the Disciplinary Committee from holding the hearing within thirty (30) days of the incident, the suspension will be automatically expired after 30 days, per the USA Hockey Playing Rules book.

D10 will hold these hearings on the 2nd and 4th Wednesday of each month, at the Anoka Arena Board room at 6:30pm.

Rest Rule

Teams shall not participate in more than two on-ice activities per day, nor shall they participate in more than one tournament at a time (no overlapping days). On-ice activities include games (league, tournament, exhibition, etc.) and/or practices. There shall be a minimum of two (2) hours between on-ice activities on the same day and ten (10) hours between on-ice activities on consecutive days. The time is from the end of one on-ice activity to the beginning of the next. Exceptions:

1. Mites – the time between activities can be reduced to 1-1/4 hours for on-ice activities of 60 minutes or less and 45 minutes for on-ice activities of 45 minutes or less and will be allowed to play no more than four (4) half/cross ice games of 45 minutes or less per day.
2. Teams may schedule a practice before or after a game, without the two hours of rest, at the discretion of the coach and the association.

Additional Information

- A. Officials should be at the rink 15-20 minutes before the scheduled start time of the game. It is a good practice for the home team Head Coach or Team Manager to verify the officials are at the rink while your team is getting dressed.
- B. Players are not to go onto the ice until at least one of the game officials is on the ice. **THIS IS USA HOCKEY INSURANCE REQUIREMENT.**
- C. **Only One (1) Referee at the Game** - In the event there is **only one (1) referee at the arena** at the time your game is scheduled to start, every effort will be made to get a second referee to the arena as soon as possible. The game will be started and played with one (1) referee until the second referee arrives. If a qualified official is found that has a child playing on either of the teams involved, that official may be used to fill in for the missing official in this instance. The game will be considered official and is **not** grounds for protest if the entire game is officiated by only one (1) referee. If there are only two (2) officials at a Bantam "A" game, where the three-man system (one (1) referee & two (2) linesmen) is used, the two (2) man system will be used.
- D. Parents, coaches, assistant coaches, or managers shall not verbally abuse the opposing players, coaches, assistant coaches, managers, officials, minor officials, and/or league officials. Any unsportsmanlike conduct will be grounds for an indefinite suspension by the District 10 Disciplinary Committee. The referees always have the authority to order a person removed from the playing area or arena.

Coaches should not argue with an official on the ice, before or after the game. Coaches, players, managers, minor officials or spectators (fans) are not to go into the officials' room (unless invited) before, during or after a game. A violation of this policy will be dealt with per the Youth Rules and Regulations, Section XIV CONDUCT of the MINNESOTA HOCKEY Handbook. Referee's will report this violation/circumstances to the D-10 Supervisor of Officials who will notify the District Director. Penalties will be assessed for the violation of this rule.
- E. The Head Coach is also responsible for the conduct of the players' parents. If a coach has a situation where you feel one of the parents from your team will confront the officials on their way out of the arena, make sure you control the situation and do not let it happen. If this sort of conduct is reported to District 10, your team may be disciplined.

- F. Coaches, managers, and parents should avoid discussing rule interpretations with game officials immediately after games. Complaints on referees **must be reported in writing** to the District 10 Supervisor of Officials and the appropriate League Coordinator. Use the *MINNESOTA HOCKEY* Referee Report form or the District 10 Game Report form for your report. If either of these forms is not immediately available to you (the District 10 Game Report form is available on the District 10 website), use a plain sheet of paper. If you do not use one of the report forms, make sure you list all the pertinent information such as: names of referees, date of game, location of game, teams involved, score of game and your complaint.
- G. *MINNESOTA HOCKEY* Referee Report forms or District 10 Game Report forms shall be made out by either of the referees or the Head Coach if there is a problem they think should be brought to the attention of the District Director or the Supervisor of Officials.
- **Note:** Forms MUST be made out and the League Coordinator notified within 24 hours of the completion of the game anytime a player, coach or anyone else associated with the team is given a game misconduct or match penalty. Time duration for penalties is per USA Hockey and MN Hockey Playing Rules.
 - **Note:** Paragraph D under Coaches Responsibilities for failure to show up for a game.
- H. **Tie Breaking Procedure for Final League Standings** - The position of teams in the final league standings will be determined by the total points acquired in the league games played. Total points accumulated are based on two (2) points for a win and one (1) point for a tie, plus Fair Play points. The 1st place team will be the team with the most points followed in succession by the teams with the next most points. In the event of a tie by one or more teams in the league's final standings, see the Fair Play tie breaking procedure in the handbook to determine the final standings.
- I. **Missing School for Invitational Tournaments** Any association hosting youth or girls Invitational Tournaments should make every effort to schedule the games in a manner that would not cause participating players to miss school classes. It is strongly recommended that no games begin before 6:00 p.m. on any school day. The hosting association should consider teams traveling some distance to participate and arrange the tournament schedule to allow those teams adequate time to travel without having to miss school classes.
- Note:** Due to Geographic's and the formats required for *MINNESOTA HOCKEY* Region and State Tournaments, players on some of the participating teams will likely miss some school classes to participate in the tournament.

Hockey Education Program (HEP) Fair Play

MINNESOTA HOCKEY has instituted a program called Hockey Education Program (HEP). HEP is a three-component program intended to make hockey more fun for kids. The three components are skill development (Skill Challenge Program), education (Mastery Approach to Coaching – MAC and Mastery Approach to Parents for Sports – MAPS) and accountability (Fair Play).

The Fair Play program will have an impact on league standings by Fair Play points being awarded to teams based on the conduct of players, coaches, parents and the number of penalties the team is assessed during league games. The following is an explanation of how the Fair Play points will be awarded and how they will affect League Standings:

1. All leagues administered by Minnesota Hockey shall use Fair Play rules to determine league standings. League standings will be determined using the following Fair Play point system: Win = 2 points, Tie = 1 point, Loss = 0 points, plus 1 Fair Play Point. If teams play an unequal number of games, the standings can be determined by a percentage of available points in the games played. The following delineates the recommended Fair Play rules. Leagues may amend these rules by submitting changes in writing for approval by the HEP committee prior to the start of league.
2. Each team will earn their Fair Play point if none of the following occurs:
 - a. Total Fair play penalty minutes' criteria is exceeded.
 - b. Per Conduct Rule XIV.C.2, spectator conduct becomes so abusive that, in referee(s)' opinion, it is distracting from the game or inciting players, requiring the referee(s) to stop play and request specified individuals leave the arena.
 - c. Coach is assessed a Game Misconduct or Match Penalty.
 - d. An off-ice official (timekeeper, scorekeeper, penalty box attendant) provided by one of the teams exhibits conduct that results in the person being removed from their position by the referee(s).
3. Fair Play total "equivalent" penalty minute criteria.

a. Squirt	10 minutes	f. Girls 10U	8 minutes
b. Peewee	12 minutes	g. Girls 12U	10 minutes
c. Bantam	14 minutes	h. Girls 15U	12 minutes
d. Jr. Gold	16 minutes	i. Girls 19U	14 minutes
e. Jr. Gold	16 minutes		
4. For the purposes of total Fair Play penalty minutes, the following outlines the penalty "equivalency" minutes associated with each of the following classifications of penalties:

a. Minor/Bench Minor	2 minutes	e. Match	10 minutes
b. Major	5 minutes	f. Minor plus Misconduct (2&10)	12 minutes
c. Misconduct	10 minutes	g. Misconduct for no mouth guard	2 minutes
d. Game Misconduct	10 minutes	h. Penalty Shot – Equivalent minutes to penalty assessed	
		i. Ejection Rule/Cooldown	0 minutes
5. If two or more teams are tied in final standings, the following process shall be used to determine position in the standings. If the tied teams played an unequal number of games, the formula results stated below must be determined by a percentage of available points in the games played. When the tie involves two teams, the tie breaking formulas shall be used in succession until the tie is broken beginning with 5.a. When the tie involves three or more teams, their position in the standings shall be determined using the same process, except when one formula establishes a position for one or more teams, each team is placed in the applicable position. Once a team(s) is placed, the tie-breaking process shall be restarted at formula 5.a for the remaining tied teams.
 - a. **Total points from** head to head competition among tied teams including Fair Play points.
 - b. Most wins in league play.
 - c. Fewest losses in league play
 - d. Most Fair Play points earned in league play
 - e. Largest goal differential among tied teams. (six max. per game)
 - f. Greatest quotient: goals for divided by goals against among tied teams.
 - g. Largest goal differential for all league play. (six max. per game)
 - h. Greatest quotient: goals for divided by goals against for all league play.
 - i. Flip of a coin by a league official in the presence of the District Director.

6. In District 10 League play there are no forfeits. All league games are to be played as scheduled. (unless inclement weather rule is implemented, see page 18). Any team failing to show for a scheduled game, will not receive fair play point and will be responsible for all rescheduling fees/fines.

Penalty Rules

Minor Penalties

Minor penalties for all league, scrimmage, and tournament (invitational, district, region and state) games, with periods of seventeen (17) minutes or less will be two (2) minutes.

Implementation of this program is up to the discretion of each individual Minnesota Hockey District.

The Fair Play penalty minute thresholds, by level as outlined in Playing Rule P3, will remain as is. For the purposes of Fair Play penalty "equivalency" minutes, minor penalties will continue to be counted as two (2) minutes, as outlined in playing rules MNH Handbook during this year.

Ejection (EJ) Rule/Cool Down Rule

If a coach or player is ejected by the officials, during a game and has not received a Game Misconduct, this rule is designed to allow the player/coach to cool down before receiving a more stringent penalty. The coach/player receiving the ejection will be removed from the current game only.

** When a player/coach receives three EJ's in one season, they will need to meet with the District 10 Disciplinary Committee. All EJ's will be reported to the Supervisor of Officials, who is responsible for managing EJ penalties.

Two Game Misconducts

When a coach receives his second Game Misconduct in a season, they will not be able to participate, in any capacity, with their team until they have met with the D-10 Disciplinary Committee. Meeting will be held within five (5) days of the last infraction. If this rule is ignored, it will be an automatic suspension until further notice.

- A Coach receiving a Game Misconduct outside of District 10, it will count as two (2) Game Misconducts.

When a player gets a game misconduct out of D10, it will turn into a 2-game suspension. If the infraction happens in a tournament and they have games remaining, the first game will be served at the tournament and the second will be players next league game. If it happens in the last game of the tournament, player sits their next 2 league games.

Skill Development

Mite / Girls 8U HOCKEY

MNH strongly encourages the skill level development of all players. This is particularly critical at the Mite level so that players are provided with the foundation to enjoy and have success in the game.

1. Mite teams shall participate within their home association and district only. This is to reduce travel expense and promote development rather than competition. The District Director(s) may allow exceptions, for convenience or to maintain continuity and permit a team to play outside the district. The District Director's decision is final.
2. Mites are generally organized into levels based on age, skill and the number of players in the association. As a guideline, Mites should be divided into two levels: Mini-Mites (6 & Under) - the younger, beginner and less skilled players; and Mites (8 & Under) - the older, experienced, more skilled players.
3. The focus for Mites is to teach and develop the basic skills of skating, puck handling, shooting, and passing. Cross-ice, half-ice and small area games are the standard of play to maximize ice utilization, increase puck touches, competition and fun. The American Development Model (ADM) and Minnesota Development Model (MDM) provides blueprints for player development.
4. At the Mite C & D levels – all games shall be played cross or half ice.
5. At the Mite A & B level – the standard playing surface for all games is cross- or half-ice. Recognizing that associations may want to deviate from the standard, after December 31st up to four (4) full-ice games are allowed

6. Local hockey associations are in the best position to design programs, so their players can develop and have fun. This should be based on the principles of the MDM and ADM model, the number of players in their program, skill of their players, availability of ice and their coaching staff.
7. In recognition of a need for flexibility and differences between associations, the guidelines outlined in #4 and #5 above will be monitored by the District Director. Abuses will result in sanctions against the respective association(s) at the sole discretion of the Director.
8. MH does not permit full ice Mite Tournaments. Cross/half ice Mite Tournaments are permitted. A guideline for sanctioned Mite Cross/Half Ice Tournaments is found in the Tournament Supplement. MH Mite teams cannot participate in out-of-state tournaments, except cross/half ice tournaments as approved by their District Director.
9. The Association's level of Mites, must have an "A" Mite team unless approved by the competition committee to play lower.
10. Jamborees may be conducted at the Mite level. A jamboree is defined as a low-key, full participation event where players have an enjoyable learning experience in a non-competitive environment. Jamborees need not be registered as tournaments but must follow the "Team Rest" provisions as provided for under "Playing Rules". The format for a Jamboree shall be as follows:
 - a. Approval to conduct a Jamboree must be obtained from the District Director at least thirty (30) days in advance.
 - b. All teams must be from one MH District, unless approved in writing by the MH Directors involved.
 - c. Information referring to the event must state "Jamboree", not tournament.
 - d. Team fees can cover only costs for ice time, officials, medical attendants and participant awards.
 - e. There can be no gate fee. A free-will donation box will be permitted.
 - f. USA Hockey certified officials are REQUIRED.
 - g. No score may be kept, no winners, no losers, no standings. This will generally require a predetermined round-robin format to be followed.
 - h. No statistics may be kept, such as shots, saves, goals, assists, time of possession, etc.
 - i. Participation awards, if given, shall be the same for all participants. No team awards or trophies.

Squirt / Girls 10U HOCKEY

MH strongly encourages the skill development of all players especially at the entry levels. Therefore, the following is effective for the Squirt/U10 level.

1. Limit number of game days (league/tournament/exhibition games/events) to a maximum of 35 per season.
2. All team schedules (practices, games, scrimmages and tournaments) will be turned in to the D10 League Coordinator by the fifth (5th) of each month. Failure to comply may result in disciplinary action and/or a fine.
3. A three to one (3 to 1) practice to game ratio shall be supported by all associations.
4. Practicing with teams outside the District will count as a game.
5. Controlled Scrimmages in D10, between 2 D10 association teams do not count as a game. If a D10 team goes outside D10, and participate in a controlled scrimmage, then it counts as a game.
6. Refs need to be scheduled for all scrimmages.
7. A and B squirts must be allocated an equal quality and number of ice hours.
8. The above policies will be monitored by each local association and district. Failure to comply will result in sanctions against the respective Association as determined by the District.
9. There shall be no region or state tournaments at the squirt level.
10. There is no substitute goalie allowed at the Squirt or Girl's 10U levels.

Home team will have the choice of shooting or defending first.
