Complete the information above. Submit the completed form along with game schedule to the District Director for approval. Jamborees may be conducted only at the Mite level. Definition of a Jamboree: A Jamboree is defined by MN Hockey as a low-key full participation event where players have an enjoyable and learning experience in a noncompetitive environment. Jamborees need not be registered as tournaments, but follow the "Team Rest Rule" provisions as provided for under "Playing Rules".

The format used for a Jamboree shall be as follows:

1. Approval to conduct a Jamboree must be obtained from the cognizant District Director at least (30) days in advance.
2. All teams must be from a single MNH District, unless approved in writing by the MNH Directors involved.
3. Information referring to the event must state "Jamboree", not tournament.
4. Team fees can cover only the cost for ice time, officials, medical attendants and participant awards.
5. There can be no gate fee. A free-will donation box will be permitted.
6. USA Hockey certified officials must be used.
7. No score may be kept, no winners, no losers, no standings. This will generally require a predetermined round-robin to be followed.
8. No statistics may be kept, such as shots, saves, goals, assists, time of possession, etc.
9. Participation awards, if presented, shall be the same for all participants. No team awards or trophies.

Please note: Associations outside of Districts 10 are NOT allowed to participate without prior District Director(s) approval for all teams. Copy of
